PHAs are authorized to obtain criminal conviction records from law enforcement agencies to screen applicants for admission to the HCV program and/or the public housing program. This authority assists the PHA in complying with HUD requirements and PHA policies to deny assistance to applicants who are engaging in or have engaged in certain criminal activities. In order to obtain access to the records the PHA must require every applicant family to submit a consent form signed by each adult household member [24 CFR 5.903].

The purpose of this background check is to determine if any family member is currently engaged in, or has engaged in any of the following criminal activities, within the past 5 years:

- *Drug related criminal activity*, defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with the intent to manufacture, sell, distribute or use the drug [24 CFR 5.100].
- *Violent criminal activity*, defined by HUD as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage [24 CFR 5.100].
- *Criminal activity* that may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity.
- *Criminal activity* that may threaten the health or safety of property owners and management staff, and persons performing contract administration functions or other responsibilities on behalf of the PHA (including a PHA employee or a PHA contractor, subcontractor, or agent).
- *Criminal sexual conduct*, including but not limited to sexual assault, incest, open and gross lewdness, or child abuse.
- *Immediate vicinity* means within Boone County.

Evidence of such criminal activity includes but is not limited to any conviction for drug-related or violent criminal activity within the past 5 years; any arrests for drug-related or violent criminal activity within the past 5 years; and any record of eviction from public or privately-owned housing as a result of criminal activity within the past 5 years. A conviction for drug-related or violent criminal activity will be given more weight than an arrest for such activity.

- If any *household* member has ever been convicted of drug-related criminal activity for the production or manufacture of methamphetamine in any federally assisted housing, the family will be denied admission.
- If any *household* member is subject to a lifetime registration requirement under a state sex offender registration program, the family will be denied admission.

By my signature, I give CHA complete authorization to make such background checks as necessary to assure program compliance, eligibility, admission, continued occupancy, and participation in housing assistance programs.

NOTICE TO APPLICANTS AND PARTICIPANTS OF THE FOLLOWING HUD RENTAL ASSISTANCE PROGRAMS:

- Public Housing (24 CFR 960)
- Section 8 Housing Choice Voucher, including the Disaster Housing Assistance Program (24 CFR 982)
- Section 8 Moderate Rehabilitation (24 CFR 882)
- Project-Based Voucher (24 CFR 983)

The U.S. Department of Housing and Urban Development maintains a national repository of debts owed to Public Housing Agencies (PHAs) or Section 8 landlords and adverse information of former participants who have voluntarily or involuntarily terminated participation in one of the above-listed HUD rental assistance programs. This information is maintained within HUD's Enterprise Income Verification (EIV) system, which is used by Public Housing Agencies (PHAs) and their management agents to verify employment and income information of program participants, as well as, to reduce administrative and rental assistance payment errors. The EIV system is designed to assist PHAs and HUD in ensuring that families are eligible to participate in HUD rental assistance programs and determining the correct amount of rental assistance a family is eligible for. All PHAs are required to use this system in accordance with HUD regulations at 24 CFR 5.233.

HUD requires PHAs, which administers the above-listed rental housing programs, to report certain information at the conclusion of your participation in a HUD rental assistance program. This notice provides you with information on what information the PHA is required to provide HUD, who will have access to this information, how this information is used and your rights. PHAs are required to provide this notice to all applicants and program participants and you are required to acknowledge receipt of this notice by signing page 2. Each adult household member must sign this form.

What information about you and your tenancy does HUD collect from the PHA?

The following information is collected about each member of your household (family composition): full name, date of birth, and Social Security Number.

The following adverse information is collected once your participation in the housing program has ended, whether you voluntarily or involuntarily move out of an assisted unit:

1. Amount of any balance you owe the PHA or Section 8 landlord (up to \$500,000) and explanation for balance owed (i.e. unpaid rent, retroactive rent (due to unreported income and/ or change in family composition) or other charges such as damages, utility charges, etc.); and
2. Whether or not you have entered into a repayment agreement for the amount that you owe the PHA; and
3. Whether or not you have defaulted on a repayment agreement; and
4. Whether or not the PHA has obtained a judgment against you; and
5. Whether or not you have filed for bankruptcy; and
6. The negative reason(s) for your end of participation or any negative status (i.e., abandoned unit, fraud, lease violations, criminal activity, etc.) as of the end of participation date.

Who will have access to the information collected?

This information will be available to HUD employees, PHA employees, and contractors of HUD and PHAs.

How will this information be used?

PHAs will have access to this information during the time of application for rental assistance and reexamination of family income and composition for existing participants. PHAs will be able to access this information to determine a family's suitability for initial or continued rental assistance, and avoid providing limited Federal housing assistance to families who have previously been unable to comply with HUD program requirements. If the reported information is accurate, a PHA may terminate your current rental assistance and deny your future request for HUD rental assistance, subject to PHA policy.

How long is the debt owed and termination information maintained in EIV?

Debt owed and termination information will be maintained in EIV for a period of up to ten (10) years from the end of participation date or such other period consistent with State Law.

What are my rights?

In accordance with the Federal Privacy Act of 1974, as amended (5 USC 552a) and HUD regulations pertaining to its implementation of the Federal Privacy Act of 1974 (24 CFR Part 16), you have the following rights:

1. To have access to your records maintained by HUD, subject to 24 CFR Part 16.
2. To have an administrative review of HUD's initial denial of your request to have access to your records maintained by HUD.
3. To have incorrect information in your record corrected upon written request.
4. To file an appeal request of an initial adverse determination on correction or amendment of record request within 30 calendar days after the issuance of the written denial.
5. To have your record disclosed to a third party upon receipt of your written and signed request.

What do I do if I dispute the debt or termination information reported about me?

If you disagree with the reported information, you should contact in writing the PHA who has reported this information about you. The PHA's name, address, and telephone numbers are listed on the Debts Owed and Termination Report. You have a right to request and obtain a copy of this report from the PHA. Inform the PHA why you dispute the information and provide any documentation that supports your dispute. HUD's record retention policies at 24 CFR Part 908 and 24 CFR Part 982 provide that the PHA may destroy your records three years from the date your participation in the program ends. To ensure the availability of your records, disputes of the original debt or termination information must be made within three years from the end of participation date; otherwise the debt and termination information will be presumed correct. Only the PHA who reported the adverse information about you can delete or correct your record.

Your filing of bankruptcy will not result in the removal of debt owed or termination information from HUD's EIV system. However, if you have included this debt in your bankruptcy filing and/or this debt has been discharged by the bankruptcy court, your record will be updated to include the bankruptcy indicator, when you provide the PHA with documentation of your bankruptcy status.

The PHA will notify you in writing of its action regarding your dispute within 30 days of receiving your written dispute. If the PHA determines that the disputed information is incorrect, the PHA will update or delete the record. If the PHA determines that the disputed information is correct, the PHA will provide an explanation as to why the information is correct.

What You Should Know About EIV

A Guide for Applicants & Tenants of Public Housing & Section 8 Programs

What is EIV?

The Enterprise Income Verification (EIV) system is a web-based computer system that contains employment and income information of individuals who participate in HUD rental assistance programs. All Public Housing Agencies (PHAs) are required to use HUD's EIV system.

What information is in EIV and where does it come from?

HUD obtains information about you from your local PHA, the Social Security Administration (SSA), and U.S. Department of Health and Human Services (HHS).

HHS provides HUD with wage and employment information as reported by employers; and unemployment compensation information as reported by the State Workforce Agency (SWA).

SSA provides HUD with death, Social Security (SS) and Supplemental Security Income (SSI) information.

What is the EIV information used for?

Primarily, the information is used by PHAs (and management agents hired by PHAs) for the following purposes to:

1. Confirm your name, date of birth (DOB), and Social Security Number (SSN) with SSA.
2. Verify your reported income sources and amounts.
3. Confirm your participation in only one HUD rental assistance program.
4. Confirm if you owe an outstanding debt to any PHA.
5. Confirm any negative status if you moved out of a subsidized unit (in the past) under the Public Housing or Section 8 program.
6. Follow up with you, other adult household members, or your listed emergency contact regarding deceased household members.

EIV will alert your PHA if you or anyone in your household has used a false SSN, failed to report complete and accurate income information, or is receiving rental assistance at another address. **Remember, you may receive rental assistance at only one home!**

EIV will also alert PHAs if you owe an outstanding debt to any PHA (in any state or U.S. territory) and any negative status when you voluntarily or involuntarily moved out of a subsidized unit under the Public Housing or Section 8 program. This information is used to determine your eligibility for rental assistance at the time of application.

The information in EIV is also used by HUD, HUD's Office of Inspector General (OIG), and auditors to ensure that your family and PHAs comply with HUD rules.

Overall, the purpose of EIV is to identify and prevent fraud within HUD rental assistance programs, so that limited taxpayer's dollars can assist as many eligible families as possible. EIV will help to improve the integrity of HUD rental assistance programs.

Is my consent required in order for information to be obtained about me?

Yes, your consent is required in order for HUD or the PHA to obtain information about you. By law, you are required to sign one or more consent forms. When you sign a form HUD-9886 (*Federal Privacy Act Notice and Authorization for Release of Information*) or a PHA consent form (which meets HUD standards), you are giving HUD and the PHA your consent for them to obtain information about you for the purpose of determining your eligibility and amount of rental assistance. The information collected about you will be used only to determine your eligibility for the program, unless you consent in writing to authorize additional uses of the information by the PHA.

Note: *if you or any of your adult household members refuse to sign a consent form, your request for initial or continued rental assistance may be denied. You may also be terminated from the HUD rental assistance program.*

What are my responsibilities?

As a tenant (participant) of a HUD rental assistance program, you and each adult household member must disclose complete and accurate information to the PHA, including full name, SSN, and DOB; income information; and certify that your reported household composition (household members), income, and expense information is true to the best of your knowledge.

Remember, you must notify your PHA if a household member dies or moves out. You must also obtain the PHA's approval to allow additional family members or friends to move in your home **prior** to them moving in.

What are the penalties for providing false information?

Knowingly providing false, inaccurate, or incomplete information is **FRAUD and a CRIME**.

If you commit fraud, you and your family may be subject to any of the following penalties:

1. Eviction
2. Termination of assistance
3. Repayment of rent that you should have paid had you reported your income correctly
4. Prohibited from receiving future rental assistance for a period of up to 10 years
5. Prosecution by the local, state, or Federal prosecutor, which may result in you being fined up to \$10,000 and/or serving time in jail.

Protect yourself by following HUD reporting requirements. When completing applications and reexaminations, you must include all sources of income you or any member of your household receives.

If you have any questions on whether money received should be counted as income or how your rent is determined, **ask your PHA**. When changes occur in your household income, **contact your PHA immediately** to determine if this will affect your rental assistance.

What do I do if the EIV information is incorrect?

Sometimes the source of EIV information may make an error when submitting or reporting information about you. If you do not agree with the EIV information, let your PHA know.

If necessary, your PHA will contact the source of the information directly to verify disputed income information. Below are the procedures you and the PHA should follow regarding incorrect EIV information.

Debts owed to PHAs and termination information reported in EIV originates from the PHA who provided you assistance in the past. If you dispute this information, contact your former PHA directly in writing to dispute this information and provide any documentation that supports your dispute. If the PHA determines that the disputed information is incorrect, the PHA will update or delete the record from EIV.

Employment and wage information reported in EIV originates from the employer. If you dispute this information, contact the employer in writing to dispute and request correction of the disputed employment and/or wage information. Provide your PHA with a copy of the letter that you sent to the employer. If you are unable to get the employer to correct the information, you should contact the SWA for assistance.

Unemployment benefit information reported in EIV originates from the SWA. If you dispute this information, contact the SWA in writing to dispute and request correction of the disputed unemployment benefit information. Provide your PHA with a copy of the letter that you sent to the SWA.

Death, SS and SSI benefit information reported in EIV originates from the SSA. If you dispute this information, contact the SSA at (800) 772-1213, or visit their website at: www.socialsecurity.gov. You may need to visit your local SSA office to have disputed death information corrected.

Additional Verification. The PHA, with your consent, may submit a third party verification form to the provider (or reporter) of your income for completion and submission to the PHA.

You may also provide the PHA with third party documents (i.e. pay stubs, benefit award letters, bank statements, etc.) which you may have in your possession.

Identity Theft. Unknown EIV information to you can be a sign of identity theft. Sometimes someone else may use your SSN, either on purpose or by accident. So, if you suspect someone is using your SSN, you should check your Social Security records to ensure your income is calculated correctly (call SSA at (800) 772-1213); file an identity theft complaint with your local police department or the Federal Trade Commission (call FTC at (877) 438-4338, or you may visit their website at: <http://www.ftc.gov>). Provide your PHA with a copy of your identity theft complaint.

Where can I obtain more information on EIV and the income verification process?

Your PHA can provide you with additional information on EIV and the income verification process. You may also read more about EIV and the income verification process on HUD's Public and Indian Housing EIV web pages at: <http://www.hud.gov/offices/pib/programs/shfip/iv/cfm>.
